Applicants and their Attorney are aware of the following additional publications listed on the attached PTO Form SB/08, copies of which are enclosed. In accordance with 37 CFR §1.97, we hereby submit these publications for the Examiner's consideration during the prosecution of this application, and request that these publications be considered and made of record therein.

The Examiner has fully considered the previously submitted Information Disclosure Statements of September 8, 2000 and May 4, 2004, except for item CG in the Information Disclosure Statement of September 8, 2000, and items B10 and B12 in the First Supplemental Information Disclosure Statement of May 4, 2004. Applicants request the Examiner to consider these items during the prosecution of this application, and to make these items of record therein.

Applicants also list item CG on the attached PTO Form SB/08. Applicants have searched several sources, including the publisher of the publication, and have been unable to obtain another copy of the publication. Applicants enclose the best available copy of this publication. Although the enclosed copy contains some copying artifacts, Applicants submit the text of the publication is legible. The filing of this Second Supplemental Information Disclosure Statement is not to be interpreted as a representation that the cited publications are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any publication herein be construed *per se* as a representation that such publication is prior art. Moreover, the Applicants understand that the Examiner will make an independent evaluation of the cited publications.
